We'd like to invite you to come visit us at the Southeast Design-2-Part Show at the Charlotte Convention Center, November 14th & 15th in Booth 421.

We will be displaying a wide variety of elastomeric thermoplastic materials that showcase our manufacturing capabilities and services. Our representatives will be there to answer any questions and to review any upcoming projects that you might be working on.

The Design-2-Part Show is the region's largest design & contract manufacturing show. The show features exhibiting companies covering more than 300 manufacturing and service categories for the metals, plastics, rubber, and electronics industries.

Please see the attached VIP Invitation and click through to register for free admission.

We look forward to seeing you at the show. If you would like to schedule some time with us in advance or talk to us about opportunities, we would be honored. Contact us at [800-920-8033](tel:800-920-8033) or email us at gboston@gp-materials.com.
