General Polymers working with Terinex in Canada

By: **Frank Esposito**

March 6, 2018

Resin distributor General Polymers Thermoplastic Materials LLC is working with Terinex International Ltd. to extend its presence in eastern Canada. The cooperative marketing and sales agreement between the two firms will allow Clarkston, Mich.-based GP to cover larger parts of eastern Ontario, Quebec and the Maritime provinces, officials said in a recent news release. Terinex of St. Lazare,
