

GENERAL POLYMERS
THERMOPLASTIC MATERIALS

General Polymers Thermoplastic Materials is
Excited to Exhibit at the
TPO 2019 - Automotive Engineered
Polyolefins Conference
Come Visit Us At Booth #17

YOUR TPO & POLYPROPYLENE COMPOUND SPECIALIST
DRIVING INNOVATION FORWARD

- Long Glass Reinforced PP
- Short Glass Reinforced PP
- Compounded TPO, filled PP

- Polyolefin compounds (reinforced PP & TPO)
- Flame Retardant compounds
- Specialty & high temperature compounds
- Polyester compounds (PET & PBT, alloys)
- Styrenic compounds (ABS, ASA, MABS, SAN)

ASAHIKASEI PLASTICS NORTH AMERICA

- Short Glass Reinforced PP
- Mineral & glass/mineral reinforced PP
- Flame Retardant PP compounds
- Modified PPE (PPO) compounds
- PA66, PA6, & PA6/66 Compounds
- Homopolymer & Copolymer Acetal (POM)
- ABS/PMMA alloys

- Short Glass Reinforced PP
- Compounded TPO, filled PP
